Town Attorney Carroll Turner advised Mr. Eric Kimes attorney contacted him on March 20 2023. It is the property across the old FCX facing Center Street. Mr. Kimes owns the Old FCX property; he owns the warehouse and the adjoining lots. The property is offering to purchase is a tax foreclosure and is owned jointly by the Town of Mount Olive and County of Wayne. The property has been appraised at \$10,600.00, which is Mr. Kimes' offer. This offer starts the upset bid process; law requires advertising in the

Goldsboro News Argus. This will give anyone else wishing to bid ten days to raise the bid. Once this process is completed, he will bring Mr. Kimes' offer back to the board.

Mayor Pro-Tempore Steve Wiggins wanted to confirm we are not voting to sell the property to Mr. Kimes, we are just voting to start the upset bid process. Mayor Pro-Tempore Steve Wiggins then discussed Action Memo - 04-16 – Consider Amending Section 20 – 83 of the Code of Ordinances Prohibiting Stopping or Parking of Vehicles on Street Right of Way. Town Attorney Carroll Turner stated this item was tabled at the March 14, 2023 meeting. The ordinance work sessions have been productive and he made some adjustments suggested by the committee. The first draft stated vehicles. Later discussions limited this to tractor-trailers and limited areas. The amended ordinance prohibits parking as follows:

(10) At any place where official sign/s prohibit stopping or parking.

(11) By any tractor-trailer truck on any portion of the street shoulder or right-of-way. For the purposes of this ordinance, “tractor trailer truck” is defined as any truck tractor, trailer or semitrailer having three (3) or more axles. The street shoulder or right-of-way is further defined as within 15 feet of the edge of the paved street.

The streets controlled by the State of North Carolina already prohibits, this just makes us consistent with the state. Mayor Pro-Tempore Steve Wiggins requested a motion to approve Consider Amending Section 20 – 83 of the Code of Ordinances Prohibiting Stopping or Parking of Vehicles on Street Right of Way. Commissioner Tommy Brown made the motion. Commissioner Barbara Kornegay seconded and the motion passed 5-0.

Mayor Pro-Tempore Steve Wiggins then discussed Action Memo 04-17 - Consider Cemetery Plot Rates Increase. Code Enforcement and Cemetery Director Justin Hill stated that we have some of the cheapest rates in the county. Grass mowing costs are increasing and are coming up for rebids soon. He is proposing that we make all cemetery plots \$1,100.00 across the board. Town Attorney Carroll Turner inquired about the cost of setting a monument. Code Enforcement and Cemetery Director Justin Hill advised the permit fee for setting the base is \$50.00. Actual monument placement is the same as opening and closing of a grave, which is \$1,000.00. He stated some of the new monuments are currently leaning. This is due to ants, holes, rain and mowers packing the grass. He will try to pack dirt to correct these.

Mayor Pro-Tempore Steve Wiggins said all three cemeteries look the best they have ever looked. Code Enforcement and Cemetery Director Justin Hill responded they need a few more cuts. Commissioner Delreese Simmons asked how he knows the current vendor is going to win the bid. Code Enforcement and Cemetery Director Justin Hill stated, he does not but whoever the vendor is there are some months that require more cuts than others do. Mayor Pro-Tempore Steve Wiggins commented all cemeteries. Commissioner Delreese Simmons said he does not like something just being thrown on him and he would like to at least speak with his district first. Town Attorney Carroll Turner advised Wayne Memorial Park charges \$2,000.00 to \$3,000.00. He informed the board this item can be tabled until the May 9, 2023 meeting. Town Manager Jammie Royall Presented Report As Follows:

- He said good evening to everyone. He wanted to share his receipt of a letter of intent to fund for a storm water-planning grant. This planning grant pertains to storm water runoff and drainage.
- AECOM Engineering is handling this for us.
- He advised we have received our audit and it was good. There was one problem that was noted but it should not pertain to us. Therefore, he will get it corrected.

The Commissioner's Reports were as Follows:

Commissioner Vicky Darden

- She thanked everyone for being here tonight and advised Norma Carole McDonald's funeral service will be held at 10:00 A.M. on Saturday, April 15, 2023 at the First United Methodist Church.

Commissioner Tommy Brown

- He stated the fundraiser for the Sgt. Matthew Fishman, Detective Ramon Torres and Sgt. Logan Cox went well and \$109,000.00 was raised. After expenses, the amount will equal \$105,000.00 to \$107,000.00.
- He said it was awesome to be a part of the fundraiser.
- He extended his condolences to the McDonald Family.

Commissioner Delreese Simmons

- He said some of the people in the community wanted him to thank the Mount Olive Police Department for their increased presence and hard work.
- He stated he has received several complaints from people complaining about the \$30.00 per hour fee to use the gym. He informed them the light bill is almost \$1,000.00 per month and does not even include the costs of water and gas.
- He advised the Town does not have a lot of money. Taxes were raised last year and he feels they need to be raised again. Nobody wants to discuss this because it is an election year. Grants help but we need to take care of ourselves. He commented three cents on a \$300,000.00 home is only an increase of \$15.00 per year.
- He said the employees received a raise last year but they did not get one for years prior to that. The trash collectors only get \$13.00 per hour.
- He feels that it will not hurt anyone to raise taxes six or seven cents. It is currently sixty- seven cents per \$100.00 of value. Mayor Pro-Tempore Steve Wiggins stated it is per \$1,000.00
- He commented that he is not afraid to lose anyone's vote and he hopes the commissioners agree.
- He stated yard waste has not been picked up. He spoke with Mitch Davis and he stated he will get on it and Commissioner Delreese Simmons believes him.
- Mayor Pro-Tempore asked a citizen attending to not interrupt the speaker.
- He thanked everyone for attending tonight.

Commissioner Barbara Kornegay

- She thanked Al Southerland and the Men of FIC for all their work in the community.
- Commissioner Delreese Simmons commented it is hard to get grants for streets Commissioner Barbara Kornegay responded that we keep looking
- She advised we are also seeking grant funding to replace our aging pipes. The requirement to flush fire hydrants but a great deal of pressure and the lines and during this process you have a boil water mandate. This testing allows us to find old pipes that need repair. Small towns have many challenges.
- She thanked Jamie Butler for the budget ordinance amendments
- She appreciate all the assistance from employees and citizens regarding the grants we have in progress.

Town Attorney Carroll Turner

- He advised the surveying for Carver Cultural Center is close to being completed.
- He is preparing the deeds for the Carver Cultural Center properties.
- He commented it is pleasing to him to see positive instead of negative comments on Facebook. A former Mount Olive resident came to visit with his daughter last week. They visited downtown and the cemeteries. They had encouraging words regarding how beautiful downtown looks and how nice everyone is. Sometimes we cannot see the forest for the trees. He is so glad someone came to town and was pleased with their visit.
